

High School TA

Feb 6, 2012 Objectives

8:30am-3:30pm

**Presented by
Wisconsin PBIS Network**

Liberty Hall
800 Eisenhower Dr

Kimberly

The critical elements of the PBIS framework will be reviewed. Teams will capture the current status of PBIS implementation through structured self assessment, and create action steps to address identified needs/ goals. Facilitated work-time will follow action planning.

Target Audience

Building level Universal team that has already attended Tier 1/Universal Training , that includes: Building administrator, external and internal coaches, regular education teachers that represent grade levels and/or content areas, special education teacher, social worker and/or psychologist, specials teacher, paraprofessional, family members and students.

Preparation

To register:

[High School TA Registration](#)
