Gateway Technical College

1001 S. Main St

**Racine**

## Objectives

The school PBIS Team, including administrator and coaches, participate in these 4 training days which consists of intense, interactive activity-based preparation for implementation of school-wide PBIS. These are guided team work days to begin developing the materials needed for PBIS Kick-Off and implementation.

Understand the essential components of school-wide positive support systems that provide behavior supports to all students.

- Review discipline data (Big Five graphs) and begin the process of data-based decision-making to meet student needs
- Review all of the Tier 1/Universal PBIS process by working through the PBIS Team Implementation Checklist and action planning on School-Based Unified Action Plan for each component
- Plan implementation through development of systems, data and practice
- Plan for stakeholder buy-in, implementation and sustainability
- Receive technical assistance from PBIS Network in developing and planning for implementation of school-wide systems

## Target Audience

Building level Universal team that includes: Building administrator, external and internal coaches, regular education teachers that represent grade levels, special education teacher, social worker and/or psychologist, specials teacher, paraprofessional and family members/students.

## Preparation

Participants should bring, as possible:

- Forms and processes related to discipline policy and practices
- School calendar and staff development days
- Discipline data
- Laptop for team use
