email team member names, position,  
district name and email address to  
[schindelc@wisconsinPBISnetwork.org](mailto:schindelc@wisconsinPBISnetwork.org)  
or call 920-855-2114 ext. 247

**Free**

## Objectives

Teams will capture the current status of PBIS implementation and plan for sustainability and integration of PBIS with related school improvements initiatives. Teams will develop district implementation strategies and ensure efficient use of resources and coordination with related initiatives. They will develop district implementation strategies and share strategies for expanding and sustaining implementation with other districts' teams.

## Target Audience

Districts that have already attended Administrative Overview and have buy-in from their district. Teams of 6-8 people should be formed and should include: District Administrators (Superintendent, Assistant Superintendent, Special Education Director), Building Administrators, Secondary/Tertiary District coaches, School board member, Parent Representative, Teacher or Union Representative, Internal and External Coaches.

## Preparation

Participants should bring district-wide data such as:

- Suspension/expulsions, Office Discipline Referrals, Detentions
- Attendance data
- Academic data including State testing scores
- Special education referral rates, Educational Environment rates
- Dropout rates and Graduation rates
- Office Discipline Referral Data with Ethnicity percentages and referrals to alternative schools
