

Integrated Technical Assistance & Networking: PBIS & RTI Academics

Interactive sessions designed for districts and schools to further develop their behavioral and academic multi-level system of support

Description:

Developing an enduring and integrated system of supports requires planning with a framework in mind. The Wisconsin RTI Center and WI PBIS Network Technical Assistance Coordinators will facilitate a series of interactive half-day sessions that support implementation of an integrated PBIS/RTI System. School and district leaders will receive technical assistance and opportunities to network with peers while planning for fidelity and sustainability.

Who Should Attend:

District Office Administrators, Principals, RTI Coordinators, PBIS and Content Area Coaches and Educator Leaders committed to implementing an integrated, multi-level system of supports that addresses behavior and academics.

Outcomes:

- Connect stakeholders
- Encourage collaborative learning from each other about a multi-level system of support
- Investigate strategies to integrate RTI for academics and behavior (PBIS)
- Continue to develop your school's implementation of a multi-level system of support
- Gather resources and model processes to take back to your site
- Discuss technical and adaptive changes

What to Bring:

- SIR/SAS/BOQ data or login information
- School Action/Improvement Plan(s)
