

PBIS Tier 2 Technical Assistance - Online

Description

Connect and discuss with others around the state implementing PBIS Tier 2. Topics will focus on Tier 2 components and practice such as data based decision making, layering interventions, progress monitoring, fidelity assessments, universal screening, staff communication, student voice, and family voice.

Intended audience

Members of teams that are PBIS Tier 2 trained or actively engaged in the training process.

Participant Outcomes

- Learn from the successes and challenges other schools have experienced implementing Tier 2
- Improve and sustain Tier 2 implementation
- Connect with others implementing Tier 2 across the state

Location

Online from your computer
