Attend the webinar: **April 19 • 3:15-4:15 P.M.**

The PBIS framework can be expanded to support the mental health needs of all students through one integrated system. This session will describe how core features of the PBIS system can support school mental health and wellness at all tiers. An action planning guide for connecting mental health and PBIS, aligned with the PBIS Tiered-Fidelity Inventory (TFI), will be shared.
