Attend the webinar: **April 27 • 3:15-4:15 P.M.**

This session will introduce the ***Culturally Responsive Practices Field Guide*** that aligns to the Tiered Fidelity Inventory. This guide, published by the National PBIS Center's Equity Work Group, provides some instruction and support to allow schools to begin to embed culturally responsive practices into their universal systems. In this session, participants will discover the sections of the guide, how to use it, and other aspects of their implementation necessary for successful integration.
