

# Supported Work Time for PBIS and Rtl

**Date: May 2, 2016**  
**8:30-3:30**

In place of the previously scheduled Tier 1 Networking and Integrated Technical Assistance events, we will be hosting a full day of supported work time for teams or individuals. While there will be some opportunities to network with other schools around strengths and barriers, the majority of the time will be for teams to have supported work time. Both Academic and PBIS technical assistance coordinators will be there to answer questions and provide resources as needed. The focus of your work is completely up to you. This will be a drop-in day. School teams, district teams, or individuals are welcome to stay for all or part of the day. The agenda is below:

- ♦8:30-9:30: Facilitated conversation/networking around strengths/barriers that schools have experienced.
- ♦9:30-12:00: Supported work time-we will be there to answer questions and provide resources as you need.
- ♦12:45-1:45: Facilitated conversation/networking around strengths/barriers that schools have experienced.
- ♦1:45-3:30: Supported work time-we will be there to answer questions and provide resources as you need.
