

# Integrated Networking Sessions & Technical Assistance

Coordinators: Sarah Nelson and Dave Kunelius  
Regional Technical Assistance Coordinators

*Interactive sessions designed for districts and schools to further develop their behavioral and academic multi-level system of support*

## Description:

Developing an enduring and integrated system of supports requires planning with a framework in mind. The Wisconsin Rtl Center and Wisconsin PBIS network technical assistance coordinators will facilitate a series of interactive half-day sessions that support implementation of an integrated PBIS/Rtl System. School and district leaders will receive technical assistance and opportunities to network with peers while planning for fidelity and sustainability.

## Who Should Attend:

District administrators, principals, Rtl coordinators, PBIS and content area coaches and educator leaders committed to implementing an integrated multi-level system of support that addresses behavior and academics

## Outcomes:

- Connect stakeholders
- Encourage collaborative learning
- Investigate strategies to integrate Rtl for academics and behavior (PBIS)
- Continue to develop schools' implementation of multi-level systems of support
- Gather resources and model processes
- Discuss technical and adaptive changes

## What to Bring:

- SIR/SAS/BOQ data or login information
- School action/improvement plan

Technical assistance coordinators will be available to support teams and their work in the afternoons should they choose to stay (lunch will be on your own). Participants will be asked to ascertain any focused content for groups for future afternoon sessions.
