

Tier 1/Universal Training

Implementing PBIS in your School: Tier 1/Universal System Part 3

Participants will revisit essential school-wide systems (data, teaching, acknowledgement, and interventions) and use the Team Implementation Checklist to self-assess current implementation and action plan around identified needs. In addition, participants will look at the Benchmarks of Quality to begin to understand the use of the tool in self-evaluation.

Target Audience: Building level Universal team that includes: Building administrator, external and internal coaches, regular education teachers that represent grade levels, special education teacher, social worker and/or psychologist, specials teacher, paraprofessional and family members.

Participants should bring:

- ◆ School calendar and staff development days
- ◆ All artifacts/products from U100s and U200s such as behavioral matrix, cool tools/behavior lesson plans, acknowledgement system, T-chart of behavior, “working smarter” grid and any information shared with school community.
- ◆ Big Five data for previous month for problem solving and action planning

Objectives: Understand the essential components of school-wide positive support systems that provide behavior supports to all students.

- ◆ Review discipline data (Big Five graphs) and begin the process of data-based decision-making to meet student needs
- ◆ Review all of the Tier 1/Universal PBIS process by working through the PBIS Team Implementation Checklist and action planning on School-Based Unified Action Plan for each component
- ◆ Plan implementation through development of systems, data and practice
- ◆ Plan for stakeholder buy-in, implementation and sustainability
- ◆ Receive technical assistance from PBIS Network in developing and planning for implementation of school-wide systems
